

A Note From Our Pastor

Welcome to First Baptist Church of Alachua. I am glad that you have chosen to worship with us today. It is my prayer that God will bless you through this service. I would like the opportunity to get to know you better and let you get to know us. In this bulletin there is a guest information card. If you fill it out, we will make sure you get some information about our church. If we've never met, please feel free to introduce yourself to me after the service. I'd love to meet you.

Priority of Worship

As a part of our worship experience this morning we will sing, pray, receive an offering, read from the Bible, listen to a message, greet one another and maybe a few other things. All of these activities are a part of worship when we do them to bring pleasure to God. Our focus in worship is God Himself rather than the activities or personalities involved. We invite you to turn your thoughts toward Him and express your devotion as we come together for worship.

Annie Armstrong Easter Offering

Each year during the Easter season, Southern Baptists collect the Annie Armstrong Offering. This offering goes to help support the work of our missionaries serving in North America. We will be collecting our offering on March 28.
Our Goal: giving from your heart.

“Reaching Out Ministry”

On Sunday, May 2 we will be “Reaching Out” to minister to our community. Ministry can be accomplished in so many different ways by all ages. We are looking for those in our area in need of some type of help. Contact the church office (386-462-1337) if you know of anyone who needs assistance or even just to have their day brightened. Please begin praying for Sunday, May 2.

Food Pantry

Continue collecting food items for our Food Pantry. This ministry has certainly been helpful to those in our community. Thank you for helping.

Mission Trip Preparation

Emergency Management officials now require all volunteers to be credentialed by an organization like Florida Disaster Relief Ministry before they are allowed to work in a disaster response area.

Training in our area:
 April 17 - Jacksonville
